The screenshot shows the mobile application interface. At the top, there's a header with the app logo 'POST IT.' and a search icon. Below the header is a 'Filter.' button and three small icons. The main content area displays two artworks:

- Frosty Fruit** by Martyna "Marcia" Chmielewska, \$10.00. The image is a vibrant, abstract painting of a citrus fruit slice with blue and orange hues.
- Cyan Soul** by Kriss Kernel, \$12.00. The image is a black and white portrait of a young woman with long dark hair.

On the left side of the screen, there's a sidebar with user profile information for 'Cristina C. @yumenonioi' and navigation icons for Home, Search, and Favorites. Below these are categories and sub-categories:

- Digital Art**: Drawings & Paintings, 3D, Abstract, Pop Art.
- Traditional Art**: Still Life, Landscape, Portrait, Abstract.
- Photography**: Urban, Nature.

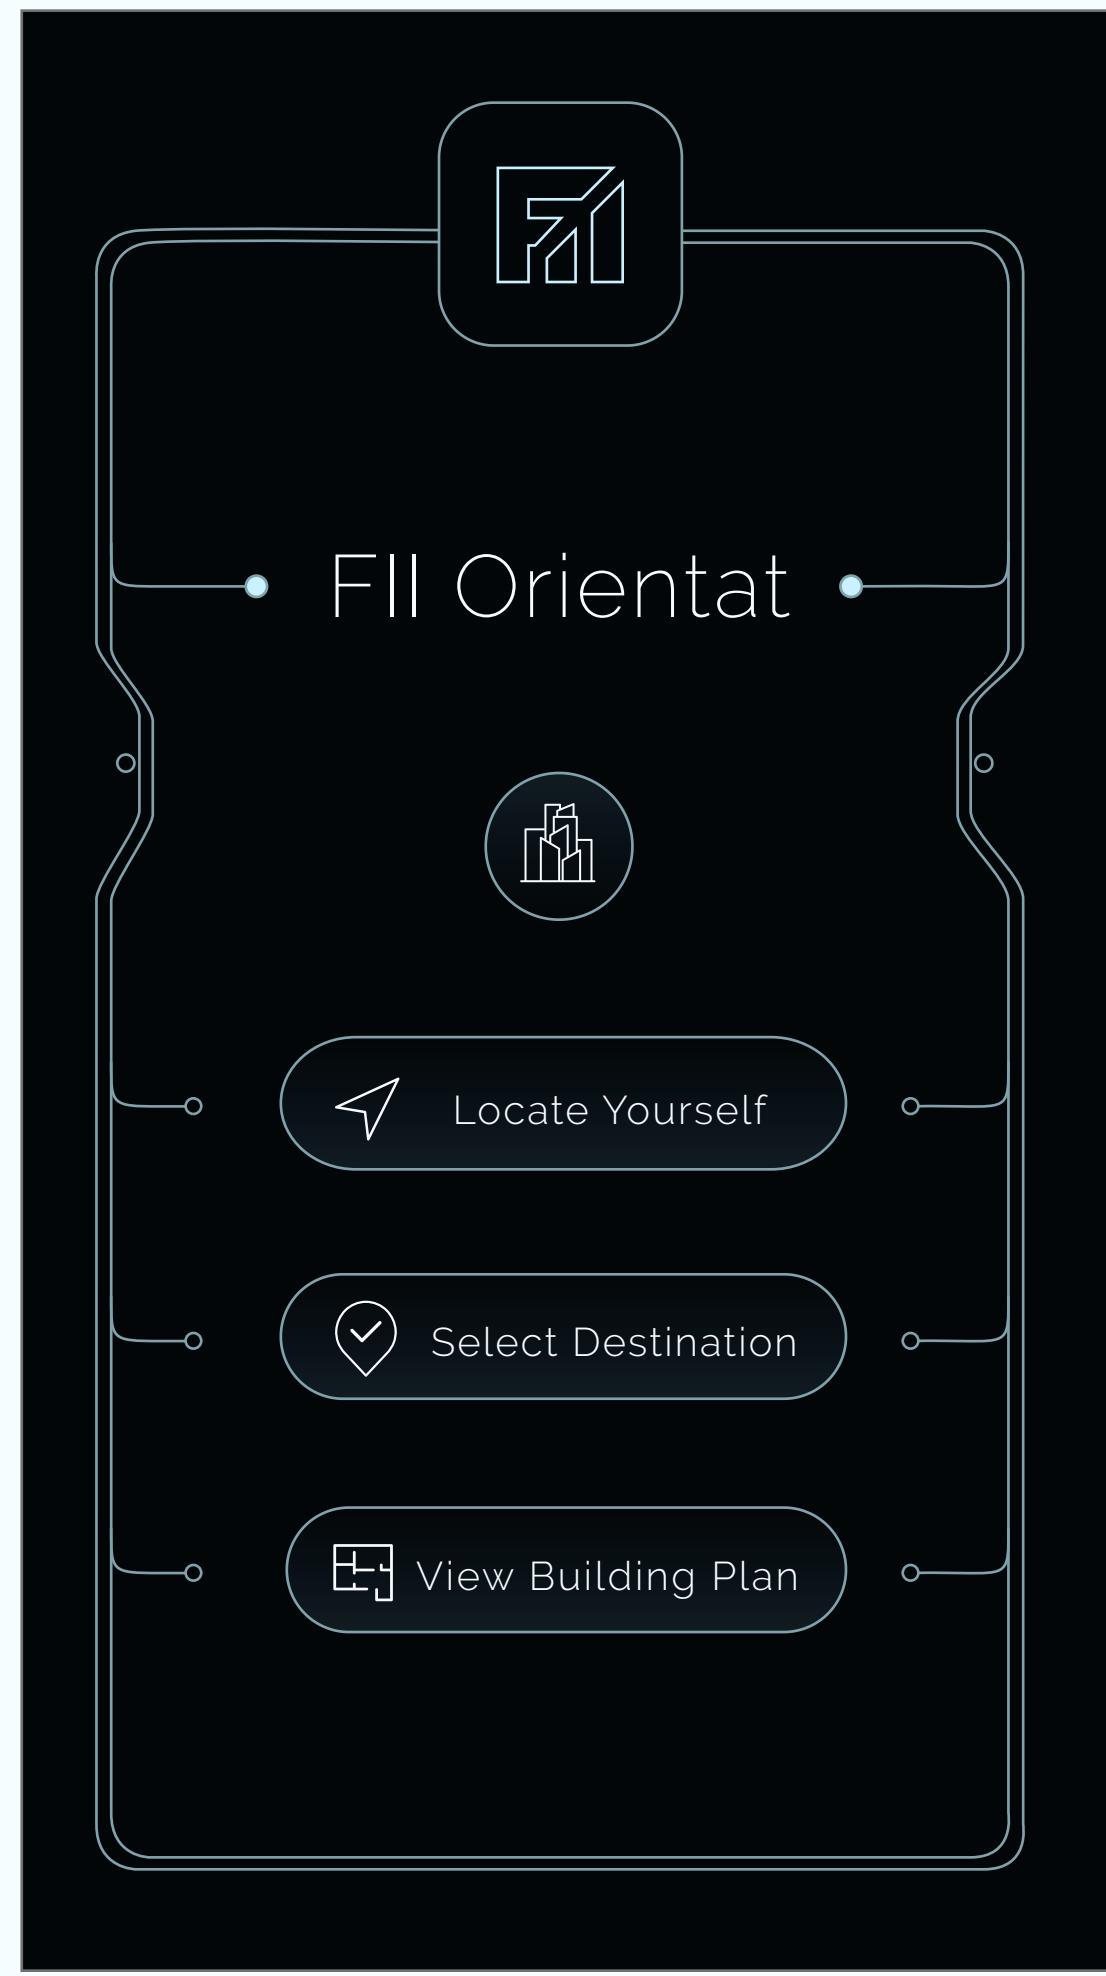

At the bottom, there are social media sharing icons for Twitter, LinkedIn, Facebook, and Email.

This screenshot shows the detailed view of the 'Frosty Fruit' artwork. At the top, it says 'by: Martyna "Marcia" Chmielewska'. The artwork image is shown again. Below the image, the title 'Frosty Fruit' and artist information are repeated. A 'Select quantity:' dropdown is set to '1'. A green 'Go to cart.' button is visible. To the right, there's a large callout box with the artwork image and the following text:

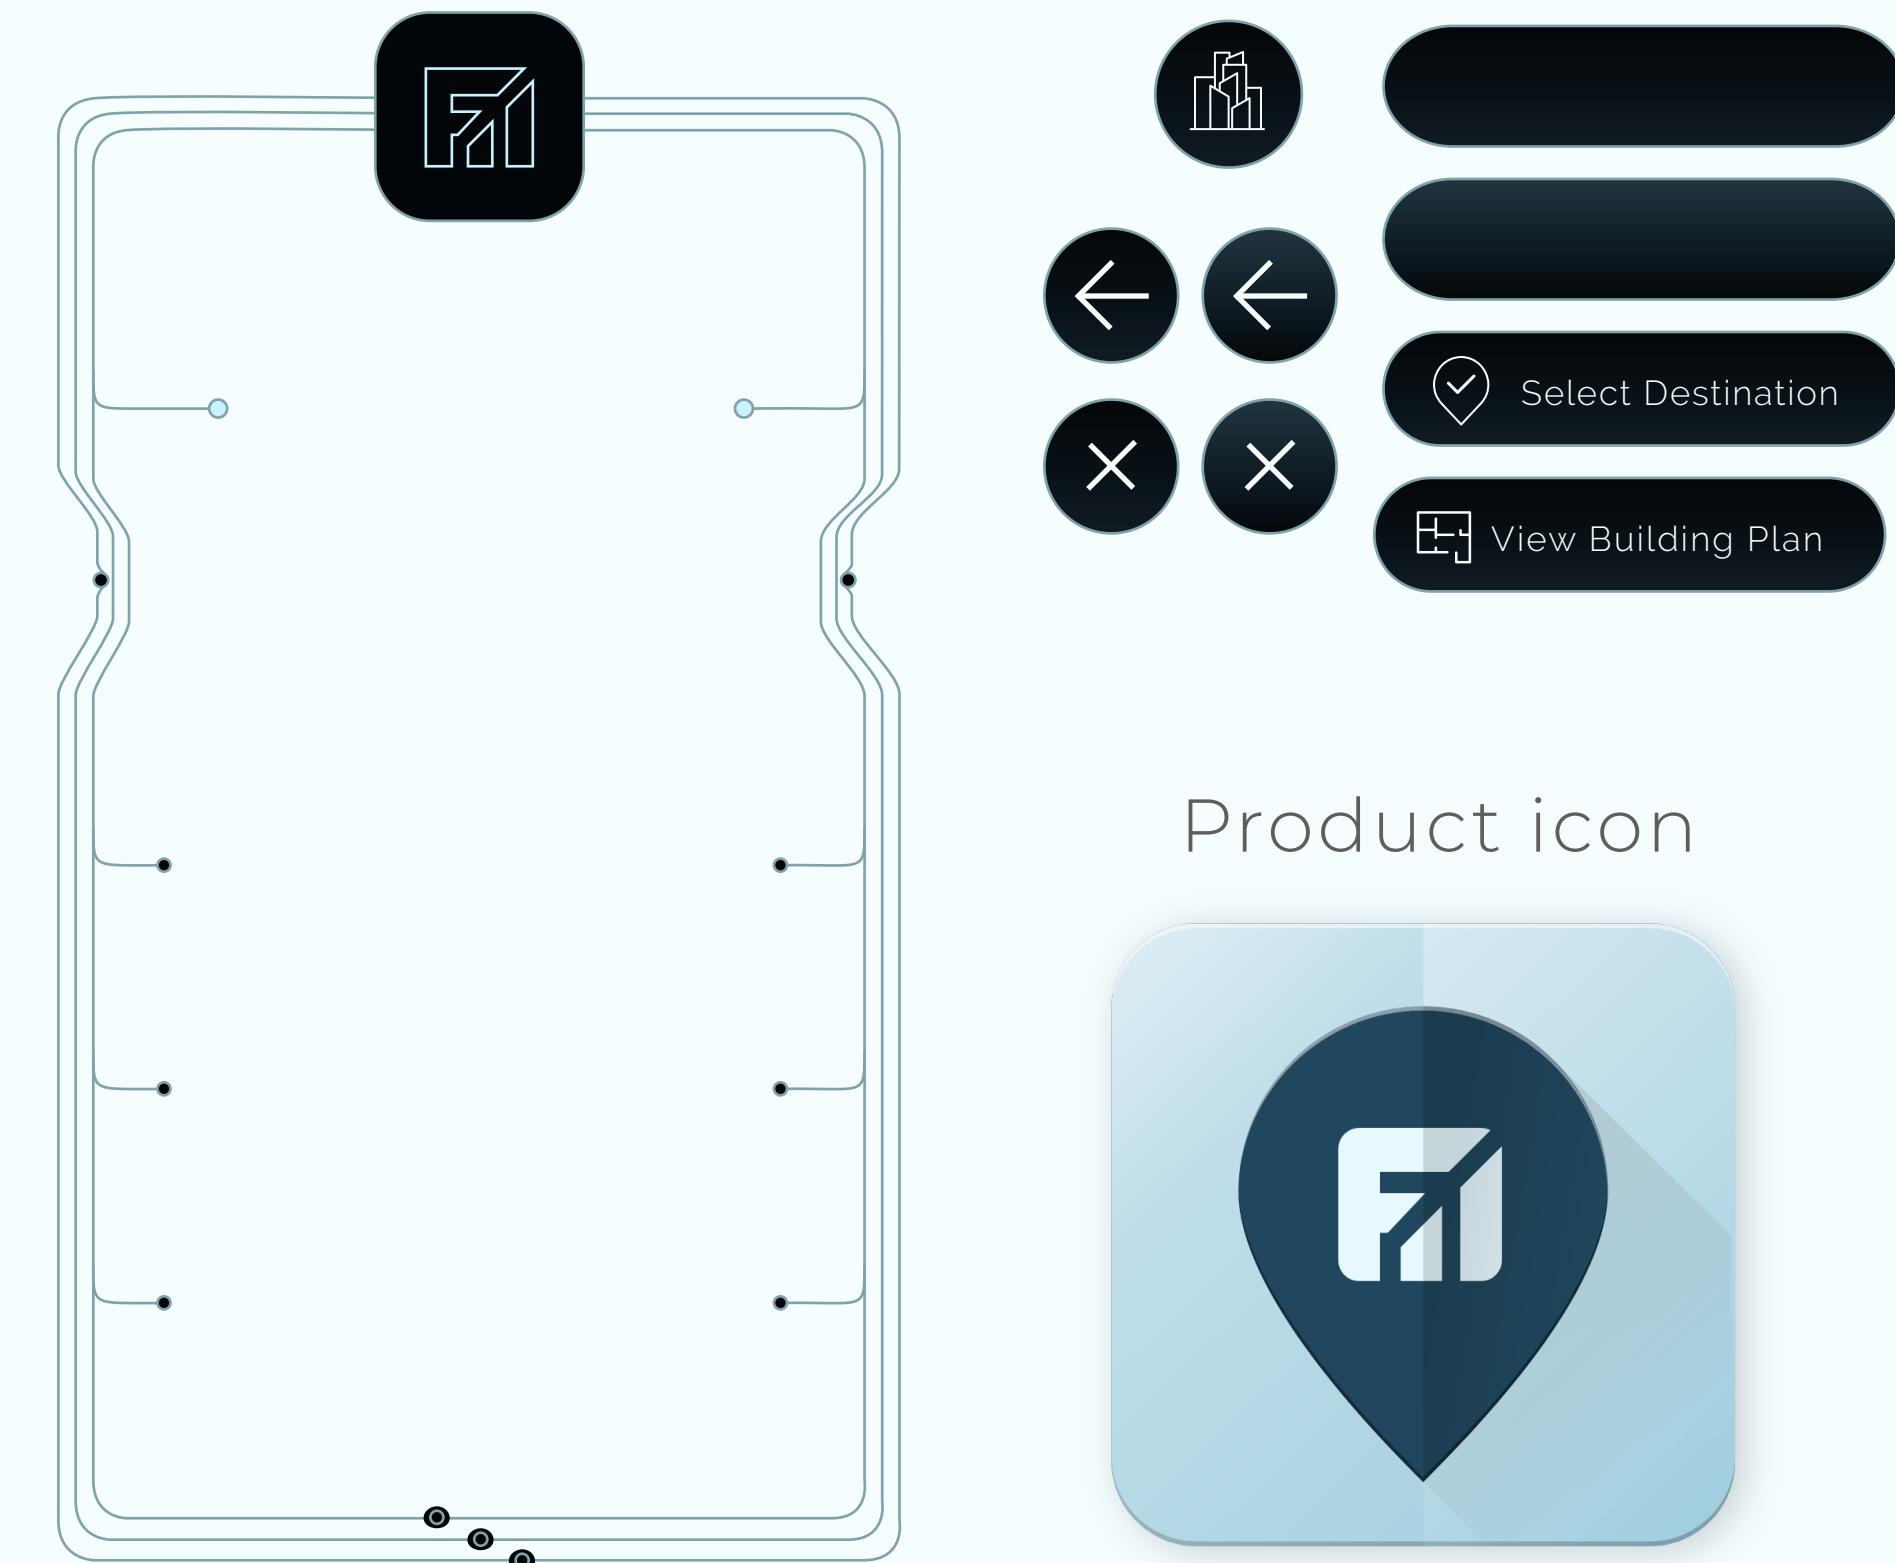

- 'Select size: 30x40 cm | ▾'
- 'Add to cart. \$10.00'
- 'OR'
- 'CONTINUE SHOPPING.'

Below the callout box, under 'Artwork description:', is a paragraph about the artist's intent to discover new worlds through vibrant colors and brush strokes.
